

Privacy Policy

At Clancy Consulting, we respect your data and strive to keep it confidential, integral, and available to you at all times.

The data which you explicitly provide to us is the minimum we require and will only be used for the legitimate interests of Clancy Consulting – to provide building engineering consultancy services.

The activities we undertake are listed below:

- On Site Assessments
- Report writing
- Calculations
- Technical Drawings
- Expert Witness services
- Project Management Services
- Advisory Work

The following are the datasets that Clancy Consulting require:

- Name
- Address
- Telephone Number
- Email Address

Clancy Consulting will not share any of your data with other parties, without your consent, outside of the legitimate interests for providing Clancy Consulting services and unless required to by UK Law and/or Legislation.

By following the General Data Protection Regulation 2016, we will provide any Clancy Consulting visitor and/or customer all rights and powers afforded to them by said regulation.

Children

Clancy Consulting does not deal with individuals under the age of 13.

Cookies

Clancy Consulting website does not use cookies.

CVs
