

NHS Shared Business Services (SBS) Framework for Construction Consultancy Services SBS/17/NH/PZR/9256

Clancy Consulting Reference:
SBS/17/NH/PZR/9256/46

This framework has potential saving opportunities of 10-15%

Running from 1 April 2018 to 31 March 2022, the aim of this Framework is to provide Estates, Facilities and Capital teams a compliant route to market for the provision of Construction Consultancy Services.

The Framework can be accessed by NHS Trusts, CCGs, public sector organisations, including local authorities, government departments, police and fire service, and education bodies.

The Framework delivers a range of pricing options for both Traditional and Design and Build Options, and New and Refurbished projects.

Pricing options include hourly rates and percentage charges based on spend in bands. Mini Competitions can also be undertaken should the terms need to be more precisely formulated.

We are appointed on the following Lots, covering all UK regions:

- Lot 3 - Civil & Structural
- Lot 5 - Building Services

Why Clancy Consulting?

- Privately owned multi-disciplinary engineering consultancy with £13m turnover
- 10 regional offices, with over 200 staff
- Almost 50 years experience across the industry
- Accreditations include CHAS, IIP Silver, Constructionline

South Liverpool NHS Trust Treatment Centre

Robert Jones & Agnes Hunt Hospital, Oswestry
